

THE ROCKSTAR

ACTION: BAR

KNURL: CROSS

RANGE: FURNITURE

Everyone knows a good ROCKSTAR steals the show and ours is no different. Our whisky bar is handmade from solid wood, has a stitched back panel and is fitted with a knurled solid metal light fitting, complete with a snake's heat cage for protection. The bar is then finished with our signature coin screws and a set of knurled furniture handles. The bar has mechanical soft-close doors, and comes with foldable legs attached with solid metal machined brackets - as there is no point having a Rockstar in your house if you can't get it through the door!
