#### Luminaire specific information

The luminaire is designed to be installed in ambient temperatures of up to 125  $^\circ$ C. Also approved for steam rooms. Sauna light source, E27, 40W included.

## Maintenance

Disconnect the power to the luminaire. Unscrew the glass and clean it. Do not use detergents that contain solvents. Replace light source if necessary. Check the gasket and replace it if necessary. Screw the shade back on.

### Spare parts

Shade Opus 100/175 matt opal, Article no.: 1-6182-30 Gasket silkon for thread 84,5 mm, Article no.: 02786-9

If the luminaire is modified the person responsible for the modification shall be considered manufacturer. Subject to errors in text. We reserve the right to change the technical specifications (without notice).
