

Solenne Pendant 360 LED **DALI 3000K**

Solenne is designed by Kauppi & Kauppi and includes a total of seven lighting fixtures, all with generous matt opal glass shades and black or white glazed porcelain bases. Four of the fixtures follow our traditional range for ceiling, wall, and facade with IP44 ratings suitable for both indoor and outdoor installations. The collection also includes three more novel types of lighting fixtures, taking our pressed porcelain to new indoor contexts. Solenne includes a grand pendant with a corresponding porcelain ceiling cup, a new table luminaire with a wooden base, and Ifö Electric's very first floor lamp.

EAN / GTIN	7312908423953
E-number	7509669
Article no.	8423-8001-16
Type designation	8423/DALI

Luminaire specific information

Cable and wires are 2 meters long. Can be adjusted between approx. 40 cm and 2 meters.

Maintenance

Disconnect the luminiarie. Remove the shade and clean it. Do not use cleaning agents containing solvents. Change the light source if necessary. Check the gasket and change it if necessary. Replace the shade.

Spare parts

Shade Solenne 360, Article no.: 1-6166-30 Gasket silicone for bayonett 184mm, Article no.: 1-03397

** The device must under no circumstances be connected to the same phase as a magnetic ballast or other older fluorescent luminaires as these luminaires can generate overvoltage transients outside of EU regulatory standards when switched off or on. The luminaire can permanently damage or completely cease to function when connected.

If the luminaire is modified the person responsible for the modification shall be considered manufacturer. Subject to errors in text. We reserve the right to change the technical specifications (without notice).
